Al-hikmah University,  
Adeta road, Adewole housing Estate,  
Ilorin.

Dear sir/ma,

## **APPLICATION FOR THE POST OF DIGITAL SECURITY OFFICER**

I am writing to apply for the position of digital security officer, which I saw the advert on the internet. I believe that my extensive experience makes me an ideal candidate to work in your company.

I am a graduate of Education/Mathematics from the University of Ibadan with a second class upper grade. I have undergone professional training in designing and programming of websites. More so, I have significant training in Project management and Health Safety and Environmental Management.

As a general secretary of Servicom Community Development Service group during my Youth service year, I was able to develop strong interpersonal communication, leadership and problem-solving skills. I was able to lead and speak for the members of my CDS group during our monthly outings and also helped members to consult with the right authorities whenever they had issues with their place of primary assignment.

More so, as a graduate of Education studies coupled with my experience with working in schools, I have been able to develop effective strong tolerance skills with makes adapting to different situations easy for me.

To support my application, I have enclosed a copy of my resume. I am excited about the opportunity to join the institution's team as soon as possible. Thank you for your time and consideration.

Yours Faithfully,

Olayiwola Akeem Ademola.
